

# Building Provider Capacity in Southwest Ohio

The **Southwestern Ohio Council of Governments (SWOCOG)** is comprised of five member counties plus delivers services to surrounding counties. The geographic area served comprises 20 percent of Ohio's population, and 20 percent of the state's IO waivers.

## You are Invited

The County Board Superintendents from Butler, Clermont, Greene, Hamilton, Montgomery and Warren Counties invite you to join them for an informational session on **Tuesday, November 3 from 4:30 to 6 p.m. at the Embassy Suites Hotel, 5100 Upper Metro Place, Dublin, Ohio, 43017, during the OPRA Fall Conference.** There is no need to register for the conference or be an OPRA member to attend this free meeting.

## What You'll Take Away

The Superintendents will share the demographics of their county including how many individuals are currently served and how many more may be served in the future, as well as information about their plans as they transition out of direct service in adult centers, and, most importantly: **how your business could potentially expand into the SWOCOG region to help meet needs.** The Superintendents want to learn from you how they can help to make an expansion possible.
