

SAVE MEDICAID, SAVE LIVES!

July 5 Rally to Protect Medicaid at Ohio Statehouse

This week, Ohio's legislature passed a budget bill that freezes enrollments in expanded Medicaid after July 1, 2018. The bill has been passed to Governor Kasich, and he is expected to veto the language that freezes enrollments. If that happens, the legislature may have the votes to override his veto and pass the enrollment freeze into law.

Under this bill, 500,000 Ohioans will lose access to health care. Next week will be our last chance to protect the Medicaid expansion in Ohio.

Join us at the Ohio Statehouse at noon on Wednesday, July 5 for a Save Medicaid Save Lives Rally. We need you to show up and tell Ohio's legislators that they must not take health care away from hundreds of thousands of low-income Ohioans.

PLEASE JOIN US AT THE RALLY AND RAISE YOUR VOICE FOR OHIOANS!
