Developmental Disabilities Awareness Month Kickoff*

March 4, 2010, 10 a.m. - noon

Ohio Statehouse Atrium, Columbus, Ohio

*formerly Mental Retardation and Developmental Disabilities (MRDD)

Ohio's celebration of Developmental Disabilities Awareness Month (March) is an annual opportunity for organizations within Ohio's developmental disabilities community to raise public awareness of the many *abilities* that people with disabilities have.

The theme, "*Just Like You*" continues in 2010, and focuses on peoples' similarities rather than differences, encouraging everyone to welcome people with disabilities into their local communities.

Our event will focus on the many opportunities emerging in this spirit throughout the state. We expect to host more than 300 attendees from all across Ohio!

No RSVP is needed and the event is free.
We look forward to seeing you there.
