

Managing DD Sex Offenders Workshop

Dr. Gerry Blasingame

Hearts of Hope is excited to present Managing DD Sex Offender Workshop part 1 and 2 with Dr. Gerry Blasingame. Dr. Blasingame is the executive and clinical director of a program dedicated to the treatment of developmentally disabled offenders. He is an accomplished presenter of many forms of family violence. Dr. Blasingame has been treating children, teens and adults impacted by family violence since 1985. He has presented numerous trainings on the treatment of mainstream and developmentally delayed clients.

10 CEU's Approved Workshop

This two-day training event will advance the understanding and skills of clinicians and staff members who work with sexual offenders who have intellectual disabilities. We address several areas of treatment and management, focusing on evidence based strategies and approaches.

Workshop Topics Include...

- Risk assessment, treatment planning and management
- Effective Treatment Strategies
- Medications and Mental Disorders
- Vulnerable to abuse
- De-escalation of agitated clients and crises management
- Staff member self care and professionalism
