SECURITY AFFIDAVIT

Effective February 18th, 2010

The Information Technology division at DODD has replaced the security affidavit form with a more user-friendly application.

Instead of the Adobe PDF form, an on-line 'wizard' will help guide you through filling out the necessary information to apply, change, or terminate access to our on-line systems.

You can access the wizard at the following URL:

https://video.mr.state.oh.us/iforms/onlineapp/

You are still required to accept the confidentiality agreement and you will be prompted to print out the form to be signed and either scanned, faxed, or mailed to DODD.

Scan and email to:
security.support@list.dodd.ohio.gov

Fax to:
Fax (614) 752 - 4673
Attn: Security Coordinator

Mail to:
Security Coordinator
Division of Information Systems
30 E Broad St, 12th Floor
Columbus, OH 43215

Please Note: In order to better serve you, we will no longer accept handwritten forms or applications submitted on the old security affidavit forms.

If you need assistance or have any questions please contact:
security.support@list.dodd.ohio.gov
