To the Common Sense Initiative:

The Ohio Provider Resource Association (OPRA) is writing in support of the changes proposed by Director Miller of Opportunities for Ohioans with Disabilities to the Vocational Rehabilitation Fee Schedule that is included in rule 3304-2-52, Appendix A. OPRA represents more than 60 service providers who partner with Opportunities for Ohioans with Disabilities to support individuals with disabilities to obtain and maintain employment and is honored to be a stakeholder in this important work.

OPRA Members are appreciative of the collaborative process that Opportunities for Ohioans with Disabilities used to develop the proposed changes to the Fee Schedule and look forward to implementation of the changes later this year. OPRA Members feel that the proposed changes are on track in facilitating the delivery of quality employment supports to individuals with disabilities and look forward to working with Director Miller and other stakeholders to continue to refine the Fee Schedule in the future.
