

## OHIO PROVIDER RESOURCE ASSOCIATION DISCLOSURE REGARDING CONFLICTS OF INTEREST

As a Trustee, Officer, or Committee Chairperson of OPRA, I recognize that I owe duties of care and loyalty to the Association. One aspect of fulfilling these duties is to avoid conflicts of interest in which my allegiance might be split between an Association position or responsibility and some other professional, business, or other volunteer position or responsibility. To avoid conflicts, on this form I am disclosing other situations or areas in which it might even appear that I have conflicting duties to other entities. I invite further review by the Association of any aspect of these situations or areas that might be considered appropriate. Also, I will take other steps, such as avoiding deliberation and resolution of certain issues or even withdrawing from my position in the Association, if it is determined that those steps are necessary to protect against legal liability to the Association or to me arising from conflicts of interest. If circumstances arise during the year that causes possible concern about conflict, I will take affirmative action to notify the Board. I acknowledge that I will not disclose any confidential information except as authorized.
