2. *Explore the Soft Skills of Leadership*

Participants will leave with an understanding of how to communicate and influence people up, down, and across their agency, as well as explore ethical leadership, and the importance of humility.

3. *Conflict Management Resolution*

Participants will evaluate their own skills in this area using the Thomas-Kilmann Conflict Mode Resolution Assessment and learn how to leverage their skills in various situations.

4. *Professional Dev. Plan and Accountability*

The Leadership LAUNCHpad is designed to meet people where they are on their leadership journey, and aims at giving organizations an immediate Return on Investment. Participants will leave with a complete Leadership Toolbox and an understanding of how to impact their organization's strategic plan.
