

Advocates for Ohio's Future Values, Mission & Goals

We Value

- **OHIO.** Ohio should be a great place for all Ohioans to live and work. Ohio's budget and public policy priorities can make Ohioans more competitive, create good jobs, increase opportunity for all Ohioans, and make Ohio's economy stronger.
- **COMMUNITY.** Healthy people build strong communities. Health, human services and early education benefit all Ohioans and are fundamental building blocks of healthy, thriving communities.
- **PEOPLE AND FAMILIES.** When people have essential human resources - things like food, housing, health care, education, child care and transportation - all Ohioans can live better lives.
- **PARTICIPATION.** Our members come from all walks of life across the state. Our diversity, our belief in democracy, and our efforts to find common ground make Advocates for Ohio's Future strong, credible, and durable. We are open to working with all who share our values.
