What is Posipalooza?

Posipalooza offers an opportunity to experience a positive culture AND learn how to create a positive culture in our communities and work places. Posipalooza is hosted by supporters of the Ohio Positive Culture Initiative in Butler, Clermont, Warren, Montgomery, and Hamilton County.

What Can I expect?

Participants will gather for an Opening Key Note and a Closing Session. Breakout sessions will be offered in the morning and afternoon. Each breakout will be hosted by a talented team of local people who will offer ideas and tools to create a positive culture. Sessions will include:

- **What's Your Story?** Use a variety of tools to create, record, and preserve a life story.
- **Conversation Starters:** See a variety of videos and experience how videos can jump start good conversations about creating a positive culture.
- **Positive Introductions:** How we introduce ourselves and others matters! Join in the art and practice of positive introductions.
- **Media and Disability:** See how media reflects and influences our ideas of "disability".
- **Jeopardy!** Play the game with a positive culture twist.
- **Tools for Change:** Experience the power of positive tools that help us get organized to create change together.
- **Positive Psychology:** Learn and practice the best of what the new field of positive psychology has to offer.
- **See What We Mean!** Use the Graffiti Wall and art area to show what Positive Culture means.
- **Positive Culture Café:** Join in an engaging conversation about taking the ideas and experiences of this event back to your community and place of work.
