(All candidates are listed in alphabetical order by last name)

Ashley Brocious – Chief Executive Officer, RT Industries

Ashley Brocious began her journey in the DD field shortly after graduation in 2009 from Urbana University with a Bachelor of Science in Psychology. She has a solid knowledge base of residential services through waiver and licensed facilities from early on in her career at CRSI from 2010-2016. Ashley transitioned in 2016 to RT Industries providing Adult Day, Non-Medical Transportation, a Sheltered Workshop with a 14c certificate, and other Employment Supports through DODD and OOD.

Ashley became an OPRA Board Member in 2021 through the election of District 2 members. She was a vital leader in providing in-person testimony for increases in funding for services both with the State Representatives as well as the Senate. Ashley ensures that the District 2 meetings occur several times throughout the year at various businesses with input from members on agenda items. She believes in the importance of bringing providers together to discuss the needs of the members and work together to find common solutions.

Ashley is dedicated to supporting people with developmental disabilities through all faucets of service provision. She is an innovative thinker, an advocate and has a tenacious drive to provide excellent quality services while also ensuring good compliance standards.

Keith Poynter – Executive Director, Resident Home Association of Greater Dayton, Inc.

I started my career in the field of disabilities 23 years ago as a DSP. Over the years I have held numerous leadership positions with several provider agencies, a county board of dd, as well as a housing corporation. My experience includes ICF administrator, regional director of programs and services, operations director with a housing corporation, risk and contract management with a county board of dd, and currently am the executive director with Resident Home Association of Greater Dayton. I have worked closely with 15 different counties over the years either from a provider perspective, housing corporation, county board employee or the parent of a child with disabilities. This experience within our system has helped me to see from a broader perspective the many areas / needs within our system.

I am a graduate of the National Leadership Consortium on Developmental Disabilities with the University of Delaware, the Executive Leadership Development program through the OACBDD, and have been the liaison for AAIDD for the last three years. I graduated from Indiana Wesleyan University with a B.S. in Management and an MBA.

As a district director, my goals are to advocate for the needs of all providers within the region. Having experience operating ICF's, ADS, NMT, and Supported Living homes I believe the diversity of my experience would be an asset to the OPRA board of directors within our region. I would be honored to receive your vote and serve the OPRA Board of Directors for District 2.
