Meet Your District 3 Candidate

Lisa Reed – Executive Director, RHDD

Hello District 3! My name is Lisa Reed and I'm the Executive Director of RHDD. I started my career with the IDD field in 1989 when I was first introduced to people who have a developmental disability at Echoing Hills Village, Inc. in Warsaw, Ohio. I committed to a 6-month internship at Echoing Hills for college and chose to stay for 2 years because I fell in love with the work and I believed in their Mission.

From EHVI I accepted a position closer to home at Muskingum Residential, Inc. where I learned so much about my career and about life. Ultimately, my career journey led me to RHDD in 1992. Throughout the past 30 years I have dedicated my energy and resources to advocating for people who have a developmental disability but also identifying System barriers that prevent Direct Support Professionals from reaching their full potential.

Through the years with RHDD, I have served in many roles including Resident Assistant, Program Manager, HR, Payroll and Training, Associate Director and currently as Executive Director since 2009. RHDD is a medium-sized, private non-profit provider agency. We specialize in residential supports as well as adult day services and CARF accredited employment supports.

When I joined the OPRA Board 7 years ago, I considered the position to be an honor and a privilege. I take my responsibility as your OPRA District 3 Representative very seriously. I stay active with several OPRA committees so that I may be helpful for any questions or concerns you may bring to me. I previously served as Secretary for the Executive Committee for 2 terms and loved every minute of my time in that role.

I've enjoyed my time with the OPRA Board of Directors and would sincerely appreciate your vote so that I may continue to represent you for another term.
