Meet Your District 4 Candidate

Sarah Millimen – Chief Executive Officer, Riverview Industries, Inc. (RVI, Inc.)

My name is Sarah Millimen. I am the CEO of RVI, Inc. located in Ottawa County. I am interested in being on the OPRA board.

I have almost 20 years of experience in the DD field, starting out as a Direct Support Professional at a group home in Minneapolis, Mn. From there I worked as a Vocational Specialist, a Residential Supervisor Assistant, and within the Day Array department. I moved back to Ohio and continued my work in as a DSP, Skill Development Coordinator, and Residential Team Lead. My education is specifically focused on Disability Studies and Disability Rights. I have extensive training in Trauma Informed/Responsive Care and Social Role Valorization. I have also held positions at County

Boards. I have had the opportunity to speak at TEDxToledo as a parent of a child with disabilities, and have also presented at many professional conferences (OACB/OPRA) and work with County Boards, DODD, and other providers to provide trainings. In my free time I have been able to assist parents navigate the system and give them the support they need.

As a provider, I work to make sure that we are constantly putting the needs of people with disabilities first and setting them as our most important priority. Since beginning my career with RVI, I have been an active and vocal member of the OPRA community and have been able to learn and grow from some amazing providers and the OPRA staff.

I feel that with my knowledge and experience I would be a wonderful addition to the already vibrant board that OPRA has.

Thank you for your time and consideration.
