

BUDGET IN DETAIL

House Bill 49

132nd General Assembly

**Main Operating Budget Bill
(FY 2018 – FY 2019)**

**As Passed by the House
As Passed by the Senate
As Reported by Conference Committee**

Introduction

The Budget in Detail, commonly referred to as the "Spreadsheet," lists each state agency's appropriations by line item. It begins with two summary tables followed by detailed line-item appropriations for each agency. The first table lists total General Revenue Fund (GRF) appropriations by agency. The second table lists total all-fund appropriations by agency. The detailed line-item appropriation section is arranged in alphabetical order by agency name. This section also includes three nonagency items for which appropriations are made: Employee Benefits Fund (PAY), Pension Subsidies (PEN), and Revenue Distribution Funds (RDF). Within each agency, generally, line items are organized by fund group, fund code, and line-item number. The order of line items within each agency matches the order in which they appear in the biennial main operating budget bill, H.B. 49.

The Budget in Detail compares each line item's appropriations for FY 2018 and FY 2019 as they exist in the As Introduced version and subsequent versions of H.B. 49. In addition to FY 2018 and FY 2019 appropriations, the Budget in Detail also shows actual expenditures for FY 2016 and estimated expenditures for FY 2017.

The Budget in Detail does not include earmarks or any other statutory language changes. Please see the Legislative Service Commission's Comparison Document (Compare Doc) for that information. For a complete discussion of the statutory changes in H.B. 49, see the Legislative Service Commission's Bill Analysis.
