(A) The purpose of this rule is to establish standards for conducting background investigations on persons applying for employment in direct service positions with a contracting entity of a county board.

(B) Definitions

(1) "Contracting entity" means a person or a public or private entity under contract with a county board for the provision of specialized services to individuals with mental retardation or a developmental disability. "Contracting entity" includes families of individuals with mental retardation or a developmental disability that contract for the provision of specialized services with funds provided by a county board. "Contracting entity" also includes a subcontractor of a contracting entity.

(2) "County board" means a county board of mental retardation and developmental disabilities as established under Chapter 5126. of the Revised Code or a regional council of government formed under section 5126.13 of the Revised Code by two or more county boards.

(3) "Direct services position" means an employment position in which the employee has physical contact with, the opportunity to be alone with, or exercises supervision or control over one or more individuals with mental retardation or a developmental disability.

(6) "Repeat offender" means a person who has been convicted of or pleaded guilty to the commission of any of the offenses listed or described in paragraphs (J)(1) to (J)(4) of this rule in two or more separate criminal actions. Convictions or guilty pleas resulting from or connected with the same act, or

resulting from offenses committed at the same time, shall be counted as one conviction or guilty plea.

(7) "Sexually oriented offense" means any of the following offenses:

- (a) Regardless of the age of the victim of the offense, a violation of section 2907.02 (rape), 2907.03 (sexual battery), or 2907.05 (gross sexual imposition) of the Revised Code or a violation of former section 2907.12 (felonious sexual penetration) of the Revised Code;

- (c) A violation of section 2907.21 (compelling prostitution) of the Revised Code when the person who is compelled, induced, procured, encouraged, solicited, requested, or facilitated to engage in, paid or agreed to be paid for, or allowed to engage in the sexual activity in question is under eighteen years of age;

(9) "Specialized services" mean any program or service designed and operated to serve primarily individuals with mental retardation or a developmental disability, including a program or service provided by an entity licensed or certified by the department. A program or service available to the general public is not a specialized service. If there is a question as to whether a contracting entity is providing specialized services, the contracting entity may request that the director of the department make a determination. The director's determination is final.

(C) A contracting entity shall conduct background investigations in accordance with section 5126.281 of the Revised Code of all persons under final consideration for employment with the contracting entity in a direct services position, except that a contracting entity is not required to request a criminal records check for an employee who is in a direct services position and being considered for a different direct services position or is returning after a leave of absence or seasonal break in employment, as long as the contracting entity has no reason to believe that the

employee has committed any of the offenses listed or described in paragraphs (J)(1) to (J)(4) of this rule. A contracting entity may charge persons who are subject to background investigations under this rule a fee for the background investigation. The fee shall be subject to the same limits that apply to fees charged by county boards under section 5126.28 of the Revised Code.

(D) The county board shall conduct the background investigation if the contracting entity and the person providing the specialized services are the same person. The county board may charge the contracting entity a fee for the background investigation. The fee shall be subject to the same limits that apply to fees charged by county boards under section 5126.28 of the Revised Code.

(E) The county board shall conduct all background investigations on behalf of families of individuals with mental retardation or a developmental disability that contract for the provision of specialized services with funds provided by the board. The county board may charge the service provider a fee for the background investigation. The fee shall be subject to the same limits that apply to fees charged by county boards under section 5126.28 of the Revised Code. The county board shall not use funds allocated for family resource services provided under section 5126.11 of the Revised Code nor reduce the funds allocated for such services to pay for background investigations.

(F) When conducting background investigations under this rule, contracting entities and county boards shall:

(1) Obtain a report from the bureau of criminal identification and investigation (BCII) regarding a person's criminal record. If the person who is the subject of a background investigation does not present proof that he/she has been a resident of Ohio for the five-year period immediately prior to the date of the background investigation, contracting entities and county boards shall request that BCII obtain information regarding the person's criminal record from the federal bureau of investigation (FBI). If the person presents proof that he/she has been a resident of Ohio for that five-year period, contracting entities and county boards may request that BCII include information from the FBI in its report. For purposes of this paragraph, a person may provide proof of Ohio residency by presenting, with a notarized statement asserting that he/she has been a resident of Ohio for that five-year period, a valid driver's license, notification of registration as an elector, a copy of an officially filed federal or state tax form identifying the person's permanent residence, or any other document the contracting entity or county board considers acceptable.

(2) Contact the Ohio department of health to inquire whether the nurse aide registry established under section 3721.32 of the Revised Code reveals that its director has made a determination of abuse, neglect, or misappropriation of property of a resident of a long-term care facility or residential care facility by the person.

- (3) Contact the Ohio department of mental retardation and developmental disabilities to inquire whether the person is included in the registry established pursuant to section 5123.52 of the Revised Code.
- (4) Contact the registrar of motor vehicles in order to determine and verify that the person has a valid motor vehicle operator's license and to request a certified abstract regarding the record of convictions for violations of motor vehicle laws, if the duties of the position for which the person has applied require the person to transport individuals with mental retardation or developmental disabilities or to operate the county board's or contracting entity's vehicles for any other purpose.
- (G) Neither a contracting entity nor a county board is required by this rule to conduct a background investigation of a person who will provide only respite care under a family support services program established under section 5126.11 of the Revised Code, if the person is selected by a family member of the individual with mental retardation or a developmental disability who is to receive the respite care.
- (H) Prior to employing a person in a direct services position, the contracting entity shall require the person to submit a statement with the person's signature attesting that the person has not been convicted of or pleaded guilty to any of the offenses listed or described in paragraphs (J)(1) to (J)(4) of this rule. The contracting entity also shall require the person to sign an agreement to notify the contracting entity within fourteen calendar days if, while employed by the entity, the person is ever formally charged with, convicted of, or pleads guilty to any of the offenses listed or described in paragraphs (J)(1) to (J)(4) of this rule. The agreement shall inform the person that failure to report formal charges, a conviction, or a guilty plea may result in being dismissed from employment.
- (I) Except as otherwise provided in a collective bargaining agreement entered into under Chapter 4117. of the Revised Code that was in effect on November 22, 2000, no contracting entity may employ an applicant who is included in the registry established pursuant to section 5123.52 of the Revised Code as an "ICF/MR worker" as defined in section 5123.193 of the Revised Code or as an individual who is employed in a position that includes providing specialized services to an individual with mental retardation or a developmental disability.
- (J) Except as provided in paragraphs (M) and (N) of this rule, no contracting entity may place a person in a direct services position if the person has been convicted of or pleaded guilty to any of the following:

If the person fails to cooperate, the contracting entity shall not place the person in the position.

(W) For purposes of this rule, reports from BCII or any other state or federal agency

regarding a person's criminal record and abstracts supplied by the registrar of motor vehicles regarding a person's record of convictions for violations of motor vehicle laws are valid for a period of one year from the date of the report or abstract.
