Comments

- Great Presentation Very Informative
- Lots of great information
- interesting & informative - a very difficult topic
- very informative. will need to print material to fully appreciate
- way too technical for me, it was very thorough though

Comments

- BEST presentation I went to! Excellent job! will use this to train staff.
- Excellent. Really got me thinking
- Good info - tips on hiring of MUI's Good qualified staff would be helpful and how to handle them.
- loved the presentation, fun entertaining
- nice presentation but not sure turn over remedied
- Tom gave a dynamic presentation
- Tom was an excellent presenter. Very informative.
- Very helpful and engaging presentation.
- informative
- much same as millennial session in OPRA Spring 2015
- very positive & upbeat - wish it was more about onboarding

Comments

- excellent
- Fantastic!
- Good & knowledgeable - energetic.
- good info
- Great presentation.
- Interactive good presenter.
- Jim - great info. - presentation, I will use with my home coord.
- great presentation
- This was awesome.
- Good ideas except you can't get rid of negative people on the team because per NLRB they have a right to complain to others about their job.
- good presentation
- helpful
- Well presented, went well with session 10.

Comments

- Great examples for class participation
- Susan - great presenter/info useful for my position
- 3 great topics that need to be in their own presentation; too much in too little time, went a bit too fast.
- focused too much on protection of employees rather than employers
