Solving Multiple Problems with One Resource: The Employee was behind on utility bills due to unexpected car repairs. The Employee met with the Success Coach. The Coach was able to assist the Employee with a loan through AAC Credit Union. With the loan the Employee was able to pay all of their utilities and get some additional car repairs that were still needed.

Working Together to Make a Difference: The Employee's child had a medical emergency. The concerned Supervisor met with the Success Coach to inquire about resources. The Coach was able to connect with a local church that provided the funds needed for the medical transportation. The Coach was also able to connect with two other churches that pulled together funds and paid the total rent cost for the month. A Co-Worker raised the remaining funds needed for the remaining bills to get the Employee through their emergency.
