

Unemployment Compensation Information Series

CompManagement, Inc., a Sedgwick company offers a Client Education Program for Unemployment Compensation at no cost for current clients. All sessions are 1 ½ hours and are offered exclusively via webinar to reduce your time away from the office and travel expense. We have also separated our program into a 4-part educational series which will begin with the basics and conclude with an understanding of policies, hearings, and tax rates.

UNEMPLOYMENT COMPENSATION 101 – The Basics

This webinar will provide a brief overview of how the unemployment process works from the initial filing of a claim through the hearing process.

UNEMPLOYMENT COMPENSATION 201 – Policies & Documentation

Learn helpful tips on using your employee policies to have the best chance at prevailing in unemployment claims.

UNEMPLOYMENT COMPENSATION 301 – Hearing Process

This webinar will provide an overview of the hearing process, discuss how to best prepare for an unemployment hearing and let you know what to expect at an unemployment hearing.

UNEMPLOYMENT COMPENSATION 401 – Tax & Rating

Understand how tax rates are determined, discuss the options available to employers to lower tax rates, and provide information on the unemployment tax implications of mergers and acquisitions.
