Comments:

- Very basic and normal everyday info. In today's world everyone all ready know this. Look around the room and 98% of us have smart phones.
- The application to providers non-profit was not lacking. I would like applicable ideas.
- Lots of new info & eye opening - thx :)
- The info was good but it was not useful at all to our field. I saw no way this could benefit my work.
- Looking for more detail & practical scenarios.
