Game Changers: Smart Strategies to Keep your Top Talent from Becoming Someone Else's

74% of employers consider healthcare cost control a top priority. But less than half have an effective strategy. **It's time to retool your strategy and change the game!**

Join us for **Game Changers: Smart Strategies to Keep Your Top Talent from Becoming Someone Else's**. This one-of-a-kind seminar will explore the strongest drivers of job satisfaction and dive into the research behind appreciation to develop more effective strategies for employee engagement.

What to Expect:

- Learn how to implement gratitude strategies ("Grategies") to strengthen your relationships within your organization.
- Explore the research behind "appreciation" and how it changes your outlook and exercise skills for effectively identifying and recognizing accomplishments.
- Discover the five contributing factors that lead to employee engagement and explore the biggest drivers of job satisfaction.
- Identify the top three management actions that create an employee's emotional connection to the organization.
