

Clearwater COG Technology Summit

The Clearwater COG is presenting an opportunity for individuals, providers, SSA's and county board staff to come and try out technology! This is a "hands on" way of learning and seeing how technology can change people's lives who may be living with disabilities. There will be opportunities to meet with technology vendors in addition to other companies who are enhancing the ways for everyone to use technology to make life a little easier! Disability Cocoon, Medforall, Rest Assured, Wynn-Reeth, ECI Inc, Total Homecare Solutions, SafeinHome, Kroger, The Arc of Ohio, Verizon and many more!
