

DOING OUR PART

Pajar Canada has pledged to further support our community in regular times, and in times of need. We are doing our part to step forward and help support medical workers risking their lives in the fight against COVID-19. In protecting the people who protect us, we've leveraged our supply chain to deliver urgently needed PPE (personal protective equipment) for healthcare staff in Canada and the US.

While we are taking this time apart, we also feel closer than ever before. As families, as a community, as a nation, and as human beings. We are producing and delivering medical grade masks and other equipment to local hospitals and communities.

Outer Carton

In each carton: 48 boxes

In each box: 10pcs

Total: 480PCS/Carton

Wight: 5.8KG

Product:disposable face mask

【 Model No.】 M-C-20001

【Product structure】 The product consists of three layers of nonwoven fabric, ear loops and nose clip.

【Material】 : 3 layers, observe layer and reverse layer is non-woven fabric, inner filtering layer is Melt-brown fabric.

【Application】 For general medical environment to block the exhalation or exhalation of pollutants from mouth and nose

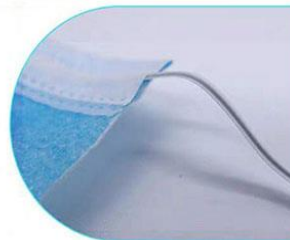

【 BFE】 >95%.

【Service life】 2 Year

CE

【CE】 EN14683-2014 TYPE 1

How to wear ?

Packing Information: Disposable Face Mask

Inner Color Box

Size: 220*105*85mm

Quantity: 50pcs/Box

Weight: 175g

Outer Carton

In each carton: 40 boxes

In each box: 50pcs

Total: 2000PCS/Carton

Wight: 8.5KG

Without color box: 3200pcs

Weight: 10.6KG

Product: Infrared Non-contact Thermometer

1. Automatic data hold, auto power off
2. Highly clear LCD digital display
3. Lightweight and portable for use
4. Built-in infrared laser pointer for precisely non-contact infrared measurement.
5. Automatic selection range and display resolution 0.1°C (0.1°F)
6. High-precision fast measurement, good for baby, adults use.

Product: Protective Goggles

【Specifications】 :

1. Glasses Material: PVC
2. Frame Color: Transparent
3. Lens Color: Transparent
4. Protection: 100% UV protection
5. Lens Tint: Clear
6. Type: Safety Glasses
7. Gender: Unisex
8. Net weight: 19g

【Feature】

1. Provides a wide, unobstructed field of vision
2. Can be worn with most half-mask respirators
3. Transparent protective PVC body
4. Comfortable fit over prescription eyewear
5. Protects against impact and splash
6. With Adjustable Strap(s)

ISOLATION PROTECTIVE MASK

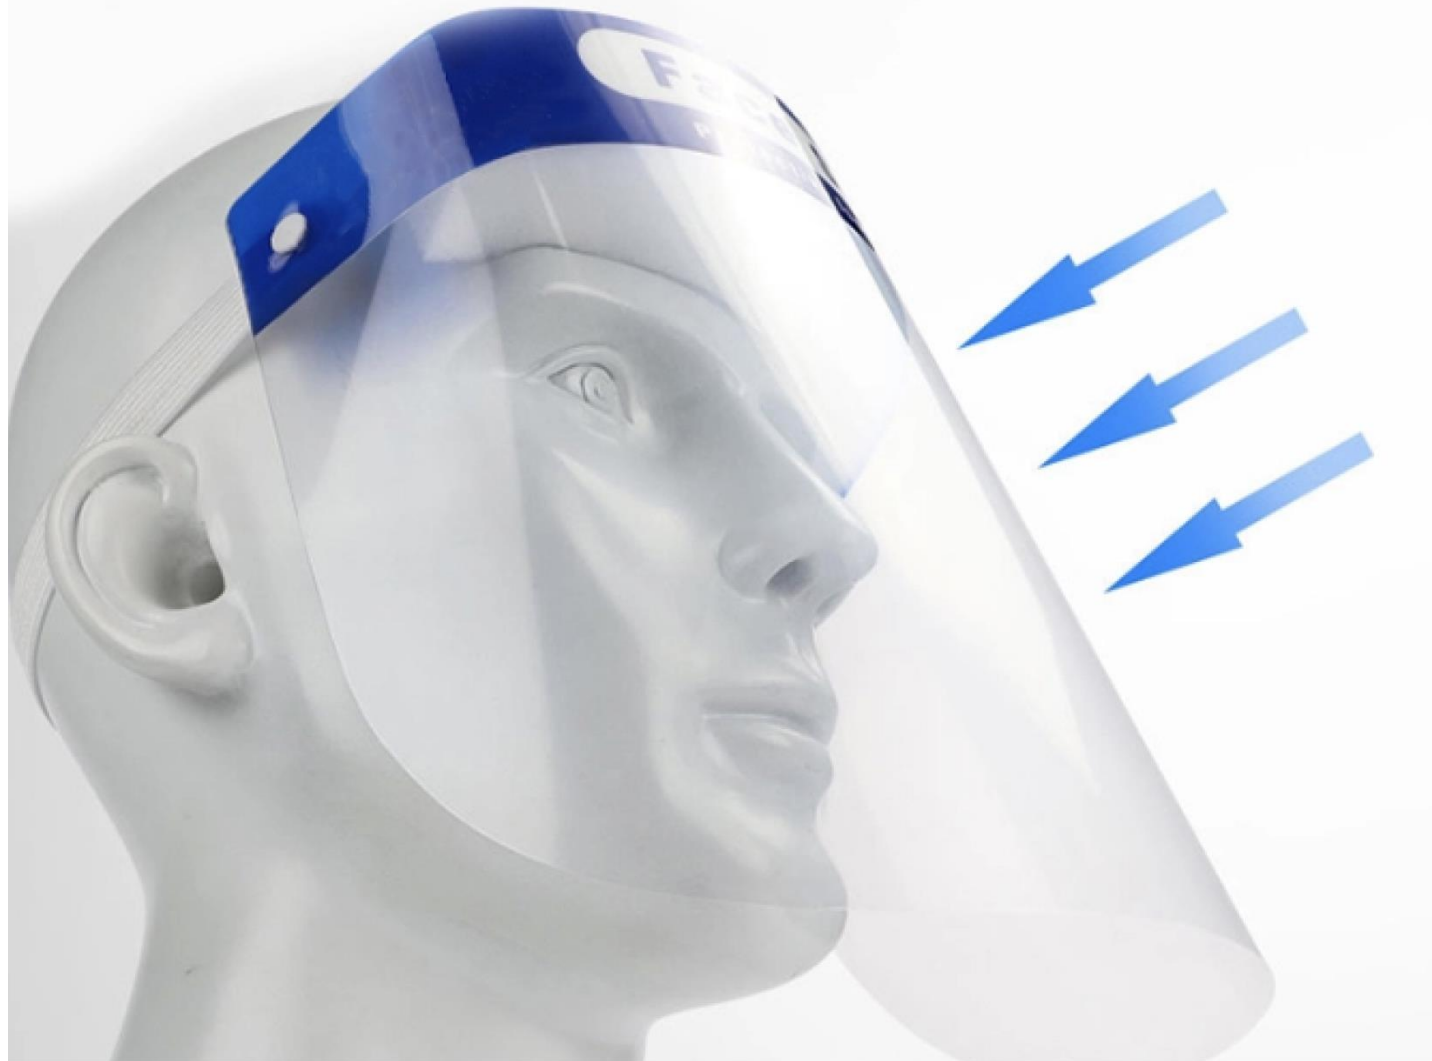

BULK SPOT SUPPLY

TIPS

The company's protective mask is only used for daily protection against fog, droplets, oil, splash and isolation in the kitchen. Non-medical supplies, not medical. (qualified medical device companies can purchase semi-finished products for assembly.)

HIGH LIGHT TRANSMISSION PET MATERIAL

Anti-fog and anti-splash, high light transmission, "zero obstruction" in line of sight

ADVANTAGE

1. Effective protection of your entire face safety, virus through flying dust, saliva into the eyes!
2. Protective mask is comfortable to wear, and protective glasses for a long time will harm eyes and skin health
3. The protective mask is cheap, only 1/4 of the price of protective glasses is needed
4. the protective mask USES high transparent environmental protection sub-
5. the protective mask is a gift for you, than to give people money, gifts more worthy of looking forward to

IT IS CONVENIENT AND COMFORTABLE TO WEAR

The elastic band is matched with sponge head protection, which makes the head comfortable and does not hinder the wearing of glasses

01

There is sponge on forehead position, soft sponge fits, wear for a long time will not be uncomfortable

02

The thickness of the sponge leaves enough room for the face to wear glasses

03

Elastic and strong elastic rope, wear for a long time without pain

HIGH LIGHT TRANSMISSION PET MATERIAL

Anti-fog and anti-splash, high light transmission, "zero obstruction" in line of sight

CERTIFICATION OF FDA REGISTRATION

This certifies that:

GUANGDONG GOLDEN LEAVES TECHNOLOGY DEVELOPMENT CO., LTD.
5 / F, building 2, No. 8, Qiaolonghe East Road, Tangxia Town, Dongguan,
Guangdong, 523730, CHINA

has completed the FDA Establishment Registration and Device Listing with the US Food & Drug Administration, through

Shenzhen CCT Testing Technology Co., Ltd.

Owner/Operator Number: 10062979

Device Listing#: See Next page

CCT will confirm that such registration remains effective upon request and presentation of this certificate until the end of the calendar year stated above, unless said registration is terminated after issuance of this certificate. CCT makes no other representations or warranties, nor does this certificate make any representations or warranties to any person or entity other than the named certificate holder, for whose sole benefit it is issued. This certificate does not denote endorsement or approval of the certificate-holder's device or establishment by the U.S. Food and Drug Administration. CCT assumes no liability to any person or entity in connection with the foregoing.

Pursuant to 21 CFR 807.39, "Registration of a device establishment or assignment of a registration number does not in any way denote approval of the establishment or its products. Any representation that creates an impression of official approval because of registration or possession of a registration number is misleading and constitutes misbranding." The U.S. Food and Drug Administration does not issue a certificate of registration, nor does the U.S. Food and Drug Administration recognize a certificate of registration, CCT is not affiliated with the U.S. Food and Drug Administration.

Certification of Conformity

Certificate No.: AST2003205009PPE
Reference No.: AST2003205009
Applicant: Guangdong Golden Leaves Technology Development Co., Ltd
Address: Room 501, Building 2, No. 8, Qiaolonghe East Road, Tangxia Town,
Dongguan City, Guangdong Province
Manufacturer: Guangdong Golden Leaves Technology Development Co., Ltd
Address: Room 501, Building 2, No. 8, Qiaolonghe East Road, Tangxia Town,
Dongguan City, Guangdong Province
Product: Respiratory protective equipment-non-powered air-purifying
particle respirator
Model No.: 8861
Trademark: Sky Screen

The EUT described above has been tested by us with the listed standards and found in compliance with the council Regulation (EU) 2016/425 Personal protective equipment.

Standards:

EN 149:2001+A1:2009

It is possible to use CE marking to demonstrate the compliance with this PPE Directive. The referred test report(s) show that the product complies with standard(s) recognized as giving presumption of compliance with the essential requirements in the above listed EU Directive(s). Other relevant Directives have to be observed.

After preparation of the necessary technical documentation as well as the conformity declaration, the CE marking as shown below can be affixed on the equipment.

Manager: 

Date: Mar. 17, 2020

Remark: This Certification of Conformity is based on a single evaluation of the submitted sample(s) of the above mentioned product. It does not imply an assessment of the whole product and relevant directives have to be observed.
