					<input type="checkbox"/> Check box to indicate expected no. of orders: (max supply of 6 months from first order date)	<input type="checkbox"/> 4 months	<input type="checkbox"/> 5 months
						<input type="checkbox"/> 6 months	

Delivery schedule will vary based on production

# About Winner Medical

Winner Medical is a leading manufacturer for disposable wound-care and surgical products in China. Since 1991, Winner Medical has been devoted to manufacturing, R&D and marketing of medical dressings, medical disposables and consumer products. Winner Medical was one of the first companies with full product lines in the disposable medical products market registered with the FDA, as well as numerous ISO certifications. Conforming with pharmacopeia rules in the EU, US, Japan, and China, these products have quickly become the industry benchmark. With multiple local and international honors, awards, and recognitions, Winner Medical has continuously been recognized by the medical device industry. The pursuit of health, sustainable ecology, and higher living standards, enables Winner Medical to continue to capitalize on patented technologies and create great new products.<sup>2</sup>
