

As we once mentioned that all pending commercial orders were cancelled by Abbott (Binax's manufacturer), we are still able to bring the **Celltrion Diatrust COVID-19 Ag Home Test** & the **Flowflex COVID-19 Antigen Home Test** in stock. Both tests are FDA EUA Approved as you can see in the second attachment. Lead times & pricing are increasing, but we do have Test Kits that are immediately available.

**Current In Stock Availability:**

- **4160** Celltrion Diatrust Test Kits
  - 25 Tests/box
  - 600 Tests/Case
  - 4800 Tests/Pallet
- **1020** Test Kits
  - 12 Tests/box
  - 288 Tests/Case

Test Kits Available for **Pre-Order** (Lead Time ~1-2 Weeks):

- **4320** FlowFlex Covid Test Kits
  - 12 Tests/box
  - 300 Tests/Case

Please let me know if you have any questions or need any other specific item. Thanks!

Regards,

**Dan Morales**
