

A MESSAGE TO OUR MEMBERS

In an effort to expand the OPRA Community of Providers, we are bringing back the OPRA Member/Guest Project for the month of March!

We know many of you network with other non-OPRA member providers in your communities and regions. With your help, this project is designed to introduce these providers to OPRA and give them a chance to interact with our community of members and the OPRA Team.

If you know a provider that would find value in being a member of OPRA, we are happy to invite them to participate in the OPRA Member/Guest Project. If the guest provider subsequently joins OPRA, your agency will receive a special discount on your membership dues*.

HOW IT WORKS:

If you know a provider who is interested in a free membership trial during the month of March, please email the provider's contact information to Sonya Summers at ssummers@opra.org. Sonya will reach out to the provider with more information about how they can participate.

YOUR GUEST WILL HAVE ACCESS TO THE FOLLOWING MEMBER BENEFITS:

- Participate on the OPRA Friday 5 Calls
- Access to the OPRA Team for questions and technical assistance
- Receive OPRA communications during the month of March
- A special Member/Guest Screen Room session
- Presentation about OPRA and what we do for provider agencies
- Presentation on OPRA advocacy efforts in 2023

OPRA's number one priority remains to be the voice for providers and to help resolve the issues providers face every day. We thank you for being a valued member of OPRA, and we look forward to welcoming your guest agency to the OPRA Community.

Please let us know if you have any questions or need additional information about the OPRA Member/Guest Project.
