

MSS Press Release  
Regional Director

On behalf of Modern Support Services, I am pleased to announce the appointment of Elizabeth Merritt as Regional Director for MSS programs and services in Ohio.

Elizabeth comes to Modern Support Services, with an extensive background providing support to individuals with Intellectual and Developmental Disabilities throughout Ohio. She has served as regional program Director for Modern Support Services since September 2022. She replaces Janine Dalton, a long-time professional member of the Northeast Ohio communities, and most recently the state Director for Modern Support Services. We wish Janine the best of luck in her future endeavors.

Modern Support Services is a multi-state provider of support to individuals with Intellectual and other Disabilities. MSS Ohio, provides a wide range of HPC and Day Array services under the IO waiver program in Northeast Ohio.

Under Elizabeth's leadership MSS. will continue to provide these services and expand MSS programs to all individuals throughout the state of Ohio.
