

**Are you interested in learning more about how federal health care legislation  
will affect you, your organization, and the clients you serve?**

Based on input received at the April 13 session, we will be hosting two learning sessions as outlined below. These sessions are designed exclusively for social sector leaders and community advocates.

**August 17, 2012 Learning Session Objectives**

- Learn more about the value of:
  - ⇒ American Health Benefits (AHB) Exchanges
  - ⇒ Navigators intended to personally assist consumers in understanding their choices in the post health care reform environment
- Inventory learning from participants on barriers encountered when reaching out to vulnerable people

**September 28, 2012 Learning Session Objectives**

- Discuss strategies for advancing:
  - ⇒ Health benefit exchanges
  - ⇒ Patient navigators

**Both sessions will be held from 9:30-11:30 AM  
Broad Street Presbyterian Church  
760 E. Broad St.**

**Advance registration is required.**
