

ACRE National Certificate in Community Employment Training Series

The Appalachia Microenterprise Project, a project of Griffin-Hammis Associates and funded by the **Ohio Developmental Disabilities Council** is hosting Three 40-hour Immersion Training Series resulting in the optional National Certificate in Community Employment through the Association in Community Rehabilitation Educators (ACRE).

Priority for attendance will be given to persons from agencies affiliated with Appalachian Counties in Ohio. Seats will be made available to anyone in Ohio, after 2 weeks of open registration.

For more information, see the links below, or contact Julie McComas at jmccomas@griffinhammis.com or Patty Cassidy at pcassidy@griffinhammis.com
