The New World of Adult Day Array

moving forward together for employment outcomes

Lisa Mathis (OPRA), Scott Marks (OACB) and Jen Becknell, Todd Bowersock and Carin Sherman (HCDDS)

Representatives from OPRA, OACB and HCDDS will converge to discuss changes to the Adult Day Array service options. The agenda will provide an overview of the 4/1/17 rule changes and how these modifications will be implemented at the county level. This will include the use of the Community Integration Add-On, Budget Overrides, and optimizing the Non-Medical Transportation budget.

The discussion will detail the shift in planning for ADA services through the Person Centered Planning process and how this translates to outcome development and actual results for participants. Finally, the presenters will host an open dialogue about concerns and fears as it relates to allowing individuals to take informed risks.
