All Ohio guardians of adults are required to participate in the following education, according to the Rules of Superintendence for the Courts of Ohio 66.06 and 66.07: a one-time six-hour fundamentals course and a three-hour continuing education course for each following year.

The fundamentals education is to be provided by the Supreme Court of Ohio or another entity with prior approval from the appointing court. To assist guardians and courts in meeting this new requirement, the Supreme Court of Ohio Judicial College is delivering a six-hour fundamentals course three ways:

1. **Live courses.** See page two of this flyer for 2015 course dates. This course meets the requirements of the new rule, is provided free of charge, and will be delivered regionally on a monthly basis. **REGISTRATION OPENS JUNE 1st.** (See page 3)
2. **Interactive sessions broadcast to local sites.** (See dates on page 2)
3. **Online education** will be available in late 2015 to allow self-study.

Course Description.

All guardians are tasked with the extremely important responsibility of making critical decisions for another person, while focusing on protecting and preserving the rights of the individual being served. Uniform education will guide guardians to fulfill their duties in a way that is consistent with national standards and Ohio's rules for courts. Ultimately, the result is to provide you, in your role as guardian, the information and tools to ensure that your decisions are grounded on the best interests of Ohio citizens under your care.

As a result of participating in a Judicial College Fundamentals of Adult Guardianship Course, you should be able to:

- Identify the process of establishing adult guardianship
- Explain the types of adult guardianship
- Determine the rights of adult wards
- Identify the needs of adult wards
- Determine responsibilities and reporting requirements of guardians of adults
- Discuss appropriate resources for adult wards
- Describe best practices in specific situations
