WEBINAR AGENDA

Online POC App Demonstration

- We will provide an overview of the application's functions developed to date.

- Demonstrate what content is extracted from Compliance tool database (CMO)

- Walkthrough design from a Reviewer perspective

- Demonstrate content from a Provider Perspective

- Demonstrate view from Provider Search application

Online POC Application
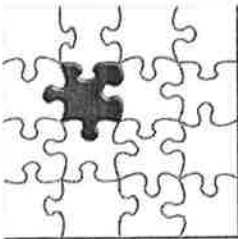

Why is this change needed?

Overview

Proposed legislation will allow families to view Provider Compliance Reports online.

Online POC Overview

Legislation also proposes that the accompanying Plan of Correction (POC), for each compliance report, be available for public view.

POC APPLICATION BENEFITS

- Provide a method for providers to enter their own POC electronically.

- Reviewers will be able to approve/disapprove POCs electronically by pushing a button!

- Enable reviewers to publish compliance reports with approved POCs to the DODD website for public view.

- Reports will be accessible on the Provider Search application.

What Content will be posted on the Provider Search Application?

- Final Compliance Report

- Final Approved Plan of Correction

LET'S GET STARTED!

Begin Online POC App Demonstration

What's Next?

- When the application is complete we will establish a date for use

- We will train all Reviewers, DODD and County Board staff on how to use the application via webinar

- Providers will be trained once system is live and ready to be used.

ONLINE POC Webinar for Reviewers

- The webinars for reviewers will be scheduled at a variety of times to accommodate differing schedules.

- Information will be sent via email for Webinar registration.

- Attendance at a webinar will be mandatory for all reviewers prior to launch of the POC application.
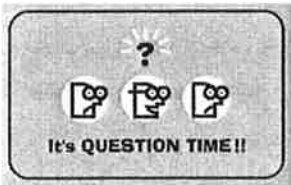

What can we do to prepare for use of the application?

Encourage providers to:
- Make sure they have an account to log into portal

- Update email address and other contact info
